## Why choose us?

Alpatron Marine Caribbean has a wide variety of resources available to tackle your service needs in the most efficient way. Depending on the complexity of your service, vessel's location and technicians' availability, we choose the best service solution available in our area of responsibility. This includes our own technical staff for those calls when First Time Fixed is critical for vessel's operation. Our target is to satisfy your service needs by freeing you from the extra work load coming from follow-up calls and confirmation emails typical when dealing with multiple sources. As a JRC/Alpatron Marine branch, we offer

manufacturer granted quality including JRC/Alpatron Marine official warranty service, but also a multibrand approach, including from the service partners we cooperate with. We have the best JRC factory trained engineers available 24/7 and an extensive spare part stock covering the widest range of old and new JRC products. As a result, we are proud to present the highest JRC First Time Fixed scores in our area matched with competitive rates for annual certifications on Radio and APT surveys. We know JRC service like nobody else!
