

Online training Wärtsilä Navi-Sailor 4000 ECDIS

Below you will find details of the computer-based online Wärtsilä Navi-Sailor 4000 ECDIS, specifically relating to MS34 training offered by Alphatron Marine BV.

After the first log-in, the training must be completed within 15 days and the certificate downloaded. After 15 days the course will expire automatically and it is impossible to re-open it.

Technical Requirements

- 9"+ display to read the theory and 12"+ to run self-practice with ECDIS software
- Support of audio playback
- Mouse and keyboard to access remote ECDIS software
- Minimum 1Mbit internet connection, VPN services are not supported
- Minimal versions of supported browsers:
- macOS - Safari 10.1
- Windows - Chrome 49, Firefox 55
- Android - Chrome 61
- iOS - Safari 10.2

It is the responsibility of the user to ensure that the used environment meets these requirements. If the used equipment does not match these requirements the user may be unable to complete the course or obtain the certificate.

It is the responsibility of the user to ensure that the pre-training and certification has been undertaken, successfully achieved, is current and valid.

Certification

Both training and certification sections of this course are online. To successfully achieve a completion certificate you must:

- Read all theoretical content of the course and complete all the exercises*
- Review and understand the functional controls of the Navi-Sailor 4000 ECDIS
- Review and undertake the exercises provided throughout the training course

**Please note: If you do not read all the content or skip any of the exercises you will not be able to obtain a certificate*

Upon successful completion of the training, a link to download the Wärtsilä Equipment (Type) Specific Training certificate will be sent to the email address you have provided.

Email Addresses

Each crew member must use an individual email address for online booking. Generic company email addresses cannot be used. If you are applying as a private individual, or as a company who does not have a credit account with us, we will require prepayment via a credit card. In order to do this please provide an address for billing and your telephone number, including dialing code

and our finance team will contact you to take your payment. The course will be booked for you promptly after the payment has been successful.

**Please do not send your credit card details to us by email.*

If you wish to proceed please contact our training department (training@alphatronmarine.com).
